

MISSION

To honor student achievement and leadership, promote educational excellence, award scholarships, and enhance career opportunities for National Technical Honor Society members.

VISION

To be the international leader in providing recognition for excellence in career and technical education.

NTHS is Committed to:

- Providing the highest quality recognition for outstanding students in career and technical education
- Supplying excellent services to our diverse and multi-cultural membership and member schools
- Providing scholarship opportunities for members
- Creating new and emerging relationships between the educational community and business and industry
- Being a flexible organization on the leading edge of technology and constantly responding to change
- Maintaining financial responsibility to meet our increasing needs
- Sustaining growth, innovation and continuous improvement based upon ongoing evaluation
